

Semi-Structured Questionnaire for Interviews we execute the following queries while varying the venue and the year:

- ACM Digital Library: Venue: ICSE '11: Proceedings Of The 33rd International Conference On Software Engineering. *Search criteria:* [All: "machine learning"] AND [E-Publication Date: (01/01/2011 TO 12/31/2011)]
- IEEE Explore: Venue: 2011 33rd International Conference on Software Engineering (ICSE). *Search criteria:* ‘‘machine learning’’

Possible Values for the parameters:

- **Year:** 2011 – 2022
- **Venue:** The respective proceedings of the aforementioned years for the conferences: *International Conference on Software Engineering (ICSE)*, *Conference on the Foundations of Software Engineering (FSE)*, and *Automated Software Engineering (ASE)*
